Experts and contain videos, annotated screenshots, step by step Tue, 08 May 2018 07:48:00 GMT SAP Tutorial: Free Online Training Course - I taught ABAP for more than 5 years. Our training was based on four weeks of theory and simple exercises and one more week when students were requested to solve more difficult exercises. After all those years, I can assure to say that our students learn the basics on theory-exercise weeks and start to master in the last week, doing exercises by themselves. You can read the help about WRITE ...
