GMT flagellation and the
flagellants a pdf -
Flagellants are practitioners
of an extreme form of
mortification of their own
flesh by whipping it with
various instruments. Most
notably, Flagellantism was
a 14th-century movement,
consisting of radicals in the
Catholic Church. Mon, 18

Flagellant - Wikipedia -
The Flagellation refers in a
Christian context to the
Flagellation of Christ, an
episode in the Passion of
Christ prior to Jesus'
crucifixion. The practice of
mortification of the flesh
for religious purposes was
utilized by some Christians
throughout most of
Christian history, especially
in Catholic monasteries and
convents. Tue, 19 Feb 2019

Self-flagellation -
Wikipedia - La flagellation
est un acte qui consiste à
fouetter le corps humain
avec un fouet, des
lanières, ou une tige
souple, ou encore tout autre
objet du même type.

Flagellation -
Wikipedia - La fessée
érotique est une
paraphilie dans laquelle un
partenaire (souvent
dominant) donne une
fessée à un autre
partenaire (souvent
dominé) dans un but
d'excitation sexuelle ou/et
de gratification. Fessée
érotique -
